About Me

After seven years in the music industry in Los Angeles, I completed The Iron Yard's Front-End Engineering course where I studied JavaScript, React, HTML, and CSS. Currently seeking a web development position with an emphasis on design, client interaction, and user-experience optimization.

Education

The Iron Yard - Certificate in Front-End Engineering
St. Petersburg, FL, July 18 - October 7, 2016
- An immersive, 12-week course in Front-End Web Development
- Created 35 projects using HTML/CSS, JSX, Bootstrap, Affinity Designer
- Learned **JavaScript, REACT, HTML, CSS, SCSS, SASS**

Skidmore College - Bachelor of Science in Theater/Political Science
Saratoga Springs, NY, 2004 - 2008
